RESPONSE TO THE OFFICE ACTION MAILED JUNE 5, 2002

Sir:

Responsive to the Office Action mailed June 5, 2002, kindly amend the above-identified application as follows:

In the Specification:

Please replace the present specification with the substitute specification attached as Attachment A. In addition, a marked-up version of the substitute specification highlighting the changes between the originally filed and substitute specifications is attached as Attachment B. On the marked-up version, the insertions are underlined while the ~~deletions are stricken through~~. Applicant respectfully submits the attached substitute specification in accordance with 37 C.F.R. 1.125. Applicant is submitting a substitute specification to place the application in form suggested by the Patent Office, and to comply with the Patent Office's requirement of drawings in accordance with 37 C.F.R. 1.81. It should be appreciated that many sections of the original
